Information for Children, Young People and their families. School Nursing: Collection of Health Assessments/Questionnaires at Reception year, Year 6 and Year 9

The Lancashire Healthy Young People and Families Service (Virgin Care Services Ltd) are a provider of school nursing services in Lancashire. The school shares class list information for the purposes of the collection of health assessments (Reception, Year 6 and year 9) with school nursing services.

The school can share this information with school nursing services using **GDPR Article 6 (1) (e)**:

Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller (the law gives us a power to do it but it is not an obligation

The school can share this information with school nursing services using **GDPR Article 9 (2) (h)**:

Processing is necessary for the purposes of preventive or occupational medicine, for the assessment of the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or the management of health or social care systems and services on the basis of Union or Member State law

Processing is necessary to facilitate:

School Nursing services offering support to address individual health needs. Virgin Care Services School Nurses and their employing organisation will have access to children's individual information, in order for them to identify and offer further support to children or young people who require their services. School Nurses adhere to national standards of confidentiality unless they have cause for concern around best interest/ safety issues. The School Nurses will keep a record of your health assessment/ questionnaire within the Child Health Record.

The information collected from questionnaires will also be used to form a summary report for your school. This is anonymised information that will support schools to understand the health needs of their pupils and allow them to target resources appropriately. The School Nurses may be providing advice to your school in response to these anonymised reports to help understand and respond to the health needs of your school.

The Local Authority being Lancashire County Council will also use this information at an anonymised level in order to understand and address the population health needs of children and young people in areas of Lancashire and make appropriate plans and actions.

If you need more information about how the Lancashire County Council or Virgin Care Services Ltd store and use your information, then please go to the following websites:
